Does the plowman keep plowing all day to sow?

Does he keep turning his soil and breaking the clods?

When he has leveled its surface, does he not sow the black cumin and scatter the cumin, plant the wheat in rows, the barley in the appointed place, and the spelt in its place?

For He instructs him in right judgment, His God teaches him.

Isaiah 28:24-26

Seasons

Special points of interest:

- Church retreat coming up in Vajta, Hungary from the 18th to the 23rd. Everyone is able to go, praise the Lord!
- English camp at the end of July will hopefully allow us to meet new people and opportunities to share the Lord.
- Thomas is one year old and very energetic and active! He is a whole bunch of fun!

To everything there is a season, and a time for every purpose under heaven; we serve a God who does things in order, we have the hope of the promise that His Word does not return void. As we look back on the two years that we have been here more than anything we see a season of plowing, a time of breaking up the fallow ground of people's hearts. As we look forward from where we stand today we know that while there may be more plowing yet to do, there will be a season of planting. And we pray a season of reaping. As we consider the work of plowing we know that so much is done through prayer, and so many of those prayers have been offered up not only by us, but by those faithful believers who may not be here in the flesh but are toiling with us in the

Spirit. Thank you for those prayers!

In the last month we had the final outreach of the spring; a small little band of guys from Hungary came down for ten days. While they were here they did more street evangelism, as well as following up with some people from a previous outreach. We pray that the Holy Spirit would continue to cultivate those seeds that were planted and that those who are walking in darkness might come to the Light.

Now that the spring outreach season has ended we have started to look forward to the summer and are praying that the Lord would show us in what ways He would have us reach out to the community. We are praying about a couple of

different things that we believe the Lord has put on our hearts; the first is to host an English Camp. There is a church in England that wants to come over for some kind of outreach later in the summer and it would be the perfect opportunity to do this kind of thing. The immediate results of such a camp would be the people that we would be meeting and the opening to be able to share with them, as well as beginning relationships that would allow us to continue in sharing. However we also have started looking into opening a language school and are thinking maybe this camp could be a bit of a trial run for us. We're taking some steps so we'll see what happens!

Secondary Story Headline

We have been blessed to be able to continue meeting in the café in town. We just finished the book of Romans on Sunday mornings and are continuing in Genesis on Saturday evenings. It was a blessing to see some of the fruit of going through Romans in the lives of the few that are coming and we pray that the message of grace would continue to work in their lives. We've now begun

going through the Gospel of John. Our little fellowship is doing really well and we are so blessed to see the tremendous amount of work the Holy Spirit has been doing in these believers' lives. Jadran, who was saved through an outreach team and has been coming to church for the past year, has been making spiritual leaps and bounds. It's amazing to see this

transformation first hand and it is a huge encouragement to us. You've all been praying for a family that's been comes to our church, Ivan and Mirijana, about their house situation. Although things haven't worked out with their own house, they will be moving into a bigger apartment which is a huge blessing and answer to prayer. Praise the Lord!!

And our family...

As for us, things are good. We are really excited because the grass that we planted last month has grown and now we can play on it. Thomas thinks now that the weather is nice there is no need to be in the house for any period of time and is quite happy that he has grass to practice his walking on. We can't believe that Thomas had his first birthday last Sunday! He was a year old on June 3rd!

A current blessing that we are really enjoying is that Grace's brother Caleb is here, with his wife Erin

for the next couple weeks. They were serving in Spain and have come over for a short period to serve and help us out with ministry. It is encouraging to not only have family here but friends who have the same ideals of ministry in reaching those who do not know the Lord.

Thank you again brothers and sisters for your co-labor here in Split, Croatia. Feel free to contact us at any time to just touch base or encourage us in what the

Lord has been doing in your lives! Blessings and love from us to you!
